The Board established the Investments Committee to determine the strategies for realisation of the Shares and Property and the investment strategy for the monies realised from those assets.

The Board has also moved to form the Scientific Committee to access applications for grants and approvals of funding.

A Nominations Committee will be formed if and when required to assist the Board in reviewing the selection and appointment of directors and to regularly review and evaluate the performance of the Board.

Report on the Audit of the Financial Report

Opinion

We have audited the financial report of Cancer Research Trust (the Trust), which comprises the Statement of Financial Position as at 30 June 2017, the Statement of Profit or Loss and Other Comprehensive Income, the Statement of Changes in Equity and Statement of Cash Flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the Trustee company's Declaration.

In our opinion, the accompanying financial report of Cancer Research Trust (the Trust) has been prepared in accordance with Div 60 of the *Australian Charities and Not-for-Profits Commission Act 2012*, including:

- (i) giving a true and fair view of the Trust's financial position as at 30 June 2017 and of its financial performance for the year then ended; and,
- (ii) complying with Australian Accounting Standards and Division 60 of the *Australian Charities and Not-For-Profits Commission Regulation 2013*.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Trust in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**INDEPENDENT AUDITOR'S REPORT
TO THE TRUSTEE OF THE
CANCER RESEARCH TRUST

Information Other than the Financial Report and Auditor's Report Thereon

The trustee of the Cancer Research Trust is responsible for the other information. The other information comprises the information included in the Trustee's Report for the year ended 30 June 2017. Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon. In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially mis-stated. If, based on the work we have performed, we conclude that there is a material mis-statement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Trustee for the Financial Report

The Trustee of the Trust is responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards – Reduced Disclosure Requirements and the *Australian Charities and Not-For-Profits Commission Act 2012* and for such internal control as the trustee determines is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material mis-statement, whether due to fraud or error

In preparing the financial report, the trustee is responsible for assessing the Trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustee either intends to liquidate the Trust or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material mis-statement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material mis-statement when it exists. Mis-statements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit.

**INDEPENDENT AUDITOR'S REPORT
TO THE TRUSTEE OF THE
CANCER RESEARCH TRUST
ABN: 33 906 785 987**

We also:

- Identify and assess the risks of material mis-statement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks; and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material mis-statement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, mis-representations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Trust's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustee.
- Conclude on the appropriateness of the trustee's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Trust's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the Trust to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the trustee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
